VOTE FOR ME?

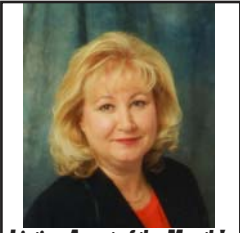

Please try and "Buy Local" if you are running for a local political position. Small businesses help support local projects and help pay your income. Be Fair! Now you are going to have those that have their theories on this (and you can bet they buy out of town and more than likely do not support our local projects...adult or for our children. And suck the County dry!) A lot of times they don't realize the "apples to apples" comparison. Like Freight or buying the wrong product, when something else would be cheaper and do the job just as good. This is having the knowledge to help you in a small town kind of way. You know that big cities don't do business like us....they can sell you something and rip you off, most don't care....they aren't going to see you at the restaurant this weekend. Small businesses in this town may not have even helped you yet....but ask your dad or grandpa...your time is coming...I know a small business will help you if you stay here very long. If you ask a small business for a deal and they save you \$100 and 10 months later buy something out of town and save \$50. That is not "Our Town" & the way we help each other. Most political positions pay very good...help put some of that money back into your community and buy locally (or at least get a quote). If you are in office and lead a person out of town to do business, you should really second guess that action and help our local community. Ask your candidate how they buy...and vote accordingly. As a family owned business we really know the importance of dealing locally, and we appreciate the support of everyone throughout the years! BUY LOCAL... even if it's not from us.... Give small businesses a fighting chance!

You can trust in God. Why? Why should we trust in God? The short, plain and simple but fully complete answer is you can trust God because He is. You can trust Him because He is and you can trust Him for what He stands for. This is the reality from which all else springs. Physicists are delving deeper and deeper into what science can teach them are describing what they find at the source of all things as God. They are saying that there is pattern that undergirds everything; that there is "something" behind all existence. Beyond this, most scientists don't have much to say about God. It is kind of like the blind men describing an elephant. They know they have found something big and fundamental but beyond that they don't really know much. They have found an "unknown" God. This is like the ancient philosophers in Athens that somehow became aware of an unknown God and erected an altar to Him. In Acts 17:22 – 32, Paul tells the Athenians who this unknown God is and about His Son who was raised from the dead. While I am in no way another Paul, by the grace of God I also know who this unknown (by certain people) God is and with His help I will introduce you to Him.

God is omniscient (He knows everything), omnipotent (He can do anything), and omnipresent (He is everywhere, all the time). While there is much more to God than this, it is a good start. The first thing God did was to create ... everything. He created the sun, moon and stars. He created the Earth and all that is in it. He created the land and the sea. He created the animals, birds and fishes. He created you, me and everyone else. Out of all these people, He created a particular people – a nation – for Himself. He named this nation Israel. When God called His nation Israel in order to give them the land he had promised their forefather Abraham, He used a man named Moses. Now God understood this issue of trust perfectly. In order to trust Him, we must know that He is. So, how did He introduce Himself to His people? "And Moses said unto God, Behold, when I come unto the children of Israel and shall say unto them, The God of your fathers hath sent me unto you; and they shall say to me, What is His name? what shall I say unto them? And God said unto Moses, I AM THAT I AM: and He said, Thus shalt thou say unto the children of Israel, I AM hath sent me unto you. And God said moreover unto Moses, Thus shalt thou say unto the children of Israel, The Lord God of your fathers, the God of Abraham, the God of Isaac, and the God of Jacob, hath sent me unto you: this is my name for ever, and this is my memorial unto all generations." (Exodus 3: 13 – 15) Wow! I still get goose bumps when I read this. It is so perfect that at first I didn't understand it at all. In fact, my first thought was something like, "What a strange thing to say, why would He do that?" If I was trying to impress someone with me (God), I would say something ... well ... more impressive. The truth is that God wasn't trying to impress us, He was helping us. The best thing for us is to know Him and trust Him and the first step in that is to know that He is. Two words that say the most basic truth we need to know and has stood as a memorial for four thousand years and counting – I AM. Do you see God's hand in this? I do.

Of course, after this awesome introduction, God left His people alone to see what would happen, right? NOT! No, He followed up His name of existence with proof. He performed miracle after miracle after miracle. He parted the Red Sea. He brought water out of a rock. He created food out of ... well, nothing actually. It was just there every morning (except Sabbath day, they got a double portion every day before Sabbath) ready to just pick up and eat ... for forty years! Why did God do all this and much, much more? This is the next reason we can trust in God; He loves us. He created us. We are His children. Not only is God real but He is on our side. He wants what is best for us, always and forever. "Yea, He loved the people: all His saints are in Thy hand: and they sat down at Thy feet; every one shall receive of Thy words." (Deuteronomy 33:3) Speaking of His Words, how much does God love us? "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." (John 3:16) What do you think? Do you think being alive is a good thing? Of course you do. (If you don't, then you need Jesus most of all. Please learn about Him and discover the meaning your life has had all along.) Then what is better than for you to live forever. God has provided this gift for you. How, you might ask? He sacrificed His only Son so that all who will can share in this gift. Sacrificial love, the greatest love there is. "Greater love hath no man than this, that a man lay down his life for his friends." (John 15:13) God's love provides a way through Jesus Christ for all of us to be saved no matter what we've done or who we are.

After Jesus died, God raised Him from the dead and later Jesus ascended into heaven where He is right now. What about us that are still down here? Jesus took care of this as well. "If ye love me, keep my commandments. And I will pray the Father, and He shall give you another Comforter, that He may abide with you for ever; Even the Spirit of truth; whom the world cannot receive, because it seeth Him not, neither knoweth Him: but ye know Him; for He dwelleth with you, and shall be in you. I will not leave you comfortless: I will come to you." (John 14: 15 – 18) After His ascension, Jesus sent the Holy Spirit to comfort and teach us. Would any loving parent leave their little child unattended? Of course not. Keep His commands; what did Jesus command us to do? "This is my commandment, that ye love one another, as I have loved you." (John 15:12) Again, God tells us something about Himself as well as His hopes for us that is simple, yet completely powerful. Now please try to calm yourself for moment of deep reflection and ask yourself, "What else would this God that I am reading about tell me?" Doesn't this sound just like Him? LOVE, feel God's Spirit of truth cry "truth" to your spirit. Say that God will no longer be "unknown" to you. "Come unto me, all ye that labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. For my yoke is easy, and my burden is light. (Matthew 11: 28 – 30) Take that leap of faith and accept Jesus as your Lord and Master because from the beginning of all things to the end of all things ... you can trust in God.
