What i Have To Say

We are having a revival at Sampson City Church of God from Monday, October 21st through Friday, October 25th at 7pm. The evangelist will be Sister Linda Baughtman. If you aren't sure how to get there just take 301 South from Starke. Go to the first traffic light past WalMart and take a right (CR227). Go to the first hard (paved) road to the right and take it (CR225). The church is about a mile down the road on the left. Everyone is welcome. Sister Baughtman is a born-again child of the King who accepts Jesus Christ as her Lord and Savior and stands firmly rooted in the Word of God. Sister Baughtman's teaching and preaching reflects these truths.

What is revival? Well, for lost souls that do not know Jesus, it is a chance to meet Him and learn something about Him. Our Pastor, Gene Bass, specifically invites you to come to this revival. The rest of our church (myself Included) also invites you. But here is the best invitation: "Come unto me, all ye that labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. For my yoke is easy, and my burden is light." (Matthew 11:28 – 30) There is your very own, personal invitation from Jesus Himself. Don't look at the man

standing next to you or the woman sitting across the way. That invitation wasn't for them; it was for you – personally. When you read those words, Jesus was inviting you specifically to get to know Him. Does this mean He doesn't invite others to get to know Him? Of course not. But when you read those (His) words, you were being invited personally and specifically by Jesus Christ Himself. He knew you would be reading those words. He knew when, and under what circumstances, you would be hearing from Him. He is in those words and those words are Him. "And the Word was made flesh, and dwelt among us, (and we beheld His glory, the glory as of the only begotten of the Father,) full of grace and truth." (John 1:14) Welcome to the wonderful miracle of God's Word. It is not only absolutely true; it is actually alive and speaking to you – personally. When someone reads His Word, they are not just reading an ancient book from thousands of years ago; God is speaking to them now, specifically, for their benefit. One way you can tell is if at any time you have been reading this article, you "felt" something; a wow or a tingle or a tug or curiosity or a need to know more or anything like that, that is God's Spirit crying "truth" to your spirit. What about the people that didn't feel anything? The sad truth is that those people quit reading this article (or tried to and are being "forced" somehow to read) before Jesus issued His invitation. The Father is not drawing them to Himself this day. That doesn't mean they cannot or will not be saved. God didn't save me until I was 52 years old. So, if it is a family member that puts this article down at the very beginning, don't give up hope and don't stop praying. It is God's will that everyone be saved (see 1 Timothy 2:4) and His will is not easily thwarted. You can count on this and trust in Him. In the end though, people have to make a choice. Again, it is a specific choice. It is a choice about their relationship with God and His Son. It is a personal choice. No one else can make it for them or for you. And yes, not choosing is a choice – a bad choice! So, if you are not saved, you have just received an invitation. What is your answer? What choice are you going to make? If you are thinking, "Not yet, I'm not quite ready today but maybe later, yes, definitely later," the Lord has something to say to you, "(For He saith, I have heard thee in a time accepted, and in the day of salvation have I succoured thee: behold, now is the accepted time; behold, now is the day of salvation.)" (2 Corinthians 6:2)

What about us born-again Christians; what is revival to us? It is just what the name says. It is a chance for us to renew and revive our hearts, minds and spirits. It allows us to have a closer walk with Christ. If we have become lukewarm, or just not quite as on fire as we once were, we can fan the flames of our Christian fire within us. The Lord knows we are not perfect and that from time to time we all need revival. "For thus saith the high and lofty One that inhabiteth eternity, whose name is Holy; I dwell in the high and holy place, with Him also that is of a contrite and humble spirit, to revive the spirit of the humble, and to revive the heart of the contrite ones." (Isaiah 57:15) You see, when we humble ourselves and repent, the Lord wants to revive us and He will revive us. I have one last thing to say about becoming lukewarm. If you feel like you are becoming lukewarm, don't give up! Don't stop coming to church. Don't stop praying and especially don't stop reading the Word. I say especially about His Word because you probably won't stop coming to church altogether right away because, well, people would notice. You also probably won't stop praying even though you might be praying for yourself a lot more than you used to and for others a lot less. It is more likely that the only ones that will know if you stop reading your Bible are you and God. Know this, when you are reading your Bible regularly, God is talking to you regularly. When you stop reading your Bible, you are in actuality telling Him to shut up. Would you actually tell Him to shut up? I couldn't, I wouldn't and you shouldn't. If you are in a low place, God's Word is the way up and the way out. Don't give up and shut God's Word out of your life.

On the other hand, if the Lord is richly blessing you and has you on the mountaintop, then you know you should be getting in there and working the Lord's harvest by assembling yourselves together and exhorting each other daily while worshiping and praising Him in truth and love expecting and accepting His reviving Spirit that will keep you in His love forever so that in the end, where He is, there you shall be also. Amen.
