Custom Round and Flat Face
in Orange and Blue

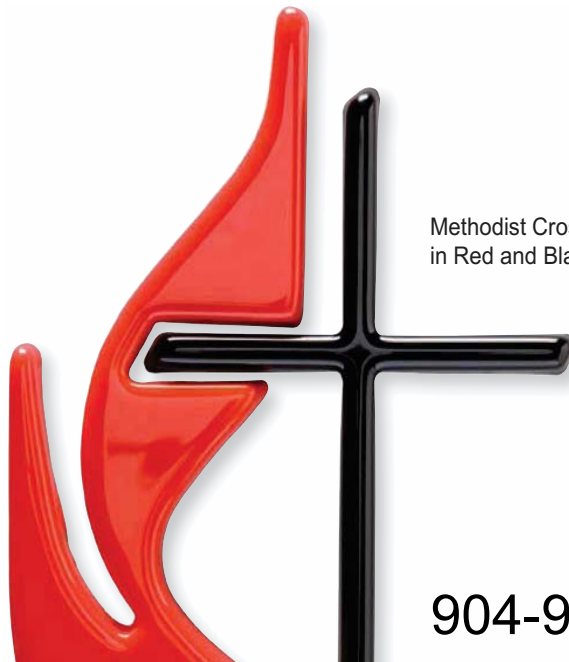

When you want the look of metal letters but don't have the time or budget available, a great option is Formed Plastic Letters. Made from sheets of Cellulose Acetate Butyrate, a time-tested environmentally friendly plastic, our Formed Letters have a virtually unlimited variety of standard styles and colors to choose from — or we can create custom letters and logos to match your specifications. Their three-dimensional look is perfect for almost any business.

With many eye-catching metallic colors included in our standard pigmented plastic you will be able to achieve the look of metal you desire for at a fraction of the cost. If one of our standard pigments doesn't meet your needs, we can paint the letters with a matching color. Solid, tough, durable and long-lasting; these letters can withstand almost any kind of weather Mother Nature can throw at them. They're guaranteed not to chip, crack, or fade for the life of the business. Most orders ship in just six days!

FORMED PLASTIC MOUNTING

Plain and Flange mount also available.

TYPE C - STUD MOUNT
Letters are provided with metal studs on the rear of the letters. Specify length of studs – 1", 2", 3", 4", 5", or 6" lengths and whether studs need to be in-line for brick or block walls.

TYPE D - PAD MOUNT
Letters have plastic pads on the rear of the letters to be used with silicone adhesive to secure to mounting surface. Letters 12" and over come with pads that are adjustable for leveling on irregular surfaces, smaller sizes come with permanently fixed pads.

TYPE E - COMB. MOUNT
Combination Letters have a combination of stud thru pads on top while having pads only on the bottom of each letter.

TYPE F COMB.ALL MOUNT
Combination All Letters have a pad and stud combination on all locations.

The following formed plastic letter prices are for individual letters only and includes your choice of standard mounting hardware shown on page 59. Mounting patterns are optional and are priced at \$2.95 NET per letter. Lower case letters, where available, are sized and priced based on the height of the corresponding upper case letters.

Custom Acrylic Logo in Black & Painted Yellow

When an intricate letter style or logo is required and you're working with a limited budget and are under a tight deadline, Flat-Cut Acrylic and Metal Laminated Letters from Metallic Arts are options that are as affordable as they are beautiful.

Custom Acrylic Logo in Red

We will produce your letters and logos from a flat sheet of high-quality acrylic using state-of-the-art laser equipment. Because there is no need for molds or forms, we can reproduce your custom signage needs quickly and at a reasonable cost. Thickness ranges from 1/8" up to 1/2" and many standard colors are available. We can also custom match any color.

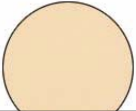

For your interior sign projects, try our flat-cut Metal Laminated Acrylic Letters. The exquisite beauty and craftsmanship of these letters is available in a variety of metal face laminate materials, including polished & brushed aluminum, brass & bronze. Designed for interior applications, they are perfect for reception areas, retail displays and exhibits.

letters only and do not include mounting hardware. **Mounting patterns are priced at \$2.95 NET per letter.** Lower case letters, where available, are sized and priced based on the height of the corresponding upper case letters. Punctuation is priced at 1/3 the corresponding sized letter price. If the width of the letter exceeds the height, use the longest measurement to determine the letter size for pricing.
